OUR STORY

Our heritage dates back to 1967. We were originally known as Shakey's Pizza Parlor and were the first pizza parlor in Sparks. Today, we're still in continuous operation while others have come and gone. We make our pizzas the same way: with a thin, crisp crust; just the right amount of spicy tomato sauce; a generous helping of mozzarella cheese; and a variety of fresh toppings. After 40+ years, we're still doing business the way we always have, providing you with quality service, and a relaxed atmosphere for enjoying your favorite pizza. Stop by today to check out our full bar, great seating for large or small groups, arcade for the kiddos, and great atmosphere for you, friends, and the whole family!
